Onboarding at LSU is a comprehensive, year-long process designed to seamlessly integrate new employees into our vibrant community. This critical phase of the [employee lifecycle](#) includes key elements such as recruitment, welcoming new team members, participating in orientation, clarifying job responsibilities, engaging in professional development, and understanding LSU's organizational structure, culture, vision, mission, and values.

FIRST WEEK

If an employee's first day is on Orientation

- Employees will start their day by attending the [Benefits and Retirement Orientation](#). Attending orientation is essential for employees to learn about their benefits, retirement options, and other important aspects of being an employee at LSU. It also provides an opportunity for them to ask HRM any specific questions they may have about offerings.
- Employees can request a free temporary parking permit and will receive instructions on how to register for a parking permit at orientation. *After Parking payroll deduction pauses in May, employees can visit the Parking Office in the Union to get a "permanent pass" valid from the date received through August 14th. This must be paid upfront (cash, check, or credit card). Credit cards have a processing fee.

If an employee's first day is not on Orientation

- Employees can request a free temporary parking permit at the Parking and Transportation Office on the first floor of the Student Union. Please note, the employee's name, department, telephone number, and vehicle registration (license plate number/make/model/color/year) are needed to issue a handwritten temporary permit. **The temporary permit is valid for two weeks for zones A/B/X and Park and Geaux until the new hire imports into the parking system of record one day after their official first day listed in Workday.** Once they have imported in, employees are eligible to register for a permanent permit paid via payroll deduction.
- To request an annual parking pass, please visit the [Parking Permit page](#) to review the parking options and instructions to sign up. These options are reviewed with employees during Orientation and sent in a follow-up email.
- Parking payroll deduction pauses in May, employees can visit the Parking Office in the Union to get a "permanent pass" valid from the date received through August 14th. This must be paid upfront (cash, check, or credit card). Credit cards have a processing fee.

Tiger Cards (LSU ID cards) must be applied for online, and employees must include a photo with their submission. After receiving an approval email, employee may visit the Tiger Card Office to retrieve their card. Information can be found on the [Tiger Card Office website](#).

The [LSU Interactive Map](#) can assist in locating designated parking spots according to an employee's parking pass.
